Byron E. Redman, Chairman
New Hampshire Racing Commission
Concord, New Hampshire

Dear Mr. Redman:

Confirming telephone conversation with Emmet J. Kelley, and in reply to your inquiry of April 19, 1951, please be advised that the Reorganization Act of 1950 does not allow the State to bond officers or employees unless the statutes make specific provision permitting or requiring such bond. Part 24 of the Reorganization Act of 1950, section 6.

In the absence of such permission or requirement in your section of the laws which would allow writing a bond to cover the secretary of your Commission, such a bond cannot be acquired.

Sincerely yours,

Gordon H. Tiffany
Attorney General
